

THE LONDON N°1

THE LONDON N°1

Its turquoise blue colour that is calming and can evoke feelings of tranquillity and peace and its production in the purest, most traditional style make it, without any doubt, THE ORIGINAL BLUE GIN.

THE ILLUSIONIST GIN

The London N°1 stands up as the perfect companion for those who want long lasting moments of disconnection and deep enjoyment of their time, this special magical feeling. The London N°1 is effortlessly stylish with a hint of illusionism that that opens up an engaging imagery of the brand because as a good illusionist it doesn't show all its greatness in the first sip.

THE 12 BOTANICALS

Its 12 meticulously-selected botanicals, among which are berries from the mountains of Croatia, bergamot from Bergamo, iris roots from Italy o cassia from China, give it a unique and extraordinary personality.

It is carefully produced in pot stills, in small batches under the watchful eye of our experienced Master Distiller.

THE TECHNICAL INFORMATION

Premium Gin made from twelve botanicals: juniper berries, coriander seed, angelica root, cassia bark, savoury, sweet orange peel, orris, lemon peel, liquorice, nutmeg, savoury, almond, cinnamon and infused with bergamot oil after first distillation.

Distilled in London in the purest traditional small batch style.

ABV:43%.

TASTING NOTE

Bright pale turquoise-blue colour, clear and bright

Pleasant aromas of juniper berries and balsamic herbs, with well-integrated alcohol, resulting elegant and clean.

Spicy and balsamic with a long fresh aftertaste. Delicate and silky on the palate, with a fine dry mouth feel. Smooth but aromatic, very balanced overall.

PERFECT SERVE

Serve in a ballon glass with plenty ice and a slice of lime or green lemon twist. Slowly pour the tonic water down the side of the glass and enjoy the magic feeling.
